### Chanukah Message from Andrew Brayam, Health & Safety Manager, United Synagogue

Some Chanukah safety tips for at Shul and in the home:-

- ✓ Take care when lighting Chanukah lights and place your Chanukia away from curtains or other combustible items.
- ✓ Make sure your Chanukia is standing on a firm base and ensure candles, wicks or oil containers are firmly seated in place.
- ❖ Never leave a Chanukia unattended or leave children unsupervised in the same room as a lit Chanukia or with matches.
- ❖ Never walk around with lighted matches, candles or tapers.
- Take special care of the suitability and safety of Chanukiot made specifically for arts, crafts and decorative purposes.
- If using glass containers with oil beware as these become very hot to touch.
- If candles or containers fall over, smother the flame immediately with a damp cloth.
- 🚫 Don't play with Fire!
- 🚫 Have a Happy (& Safe) Chanukah.
