MA and the US	
Magen Avot is a Shul supported by Chief Rabbi Ephraim Mirvis and the United Synagogue.	
Recently a letter was distributed to all our supporters updating them on our ongoing relationship with the United Synagogue (US). Please see the "Membership" section on our website at: http://magenavot.com/membership for full details. There is also a form available which can be used to register your intention to join Magen Avot as part of the US.	
US MEETING: On Tuesday 13 December (at the Avenue House on East End Road) there was a meeting of Magen Avot supporters with David Kaplan, Director of Community Services of the United Synagogue encompassing Living and Learning, US Chesed and Burial. David is also responsible for Communities, US Membership and Marriage Liaison. The evening was chaired by Ashley Katz who began the meeting with a dvar torah. David spoke on a wide range of topics related to the future of our Shul and answered questions from the audience. Some of the important messages will be communicated formally in due course. We would like to thank those who attended for their support.
