Magen Avot turns 2!

This week we are proud to highlight that our community is celebrating its 2-year sedra (Sh'lach Lecha) anniversary. Magen Avot is a Shul and community supported by Chief Rabbi Ephraim Mirvis and the United Synagogue. Our inaugural service took place on Friday 12 June 2015 in the presence of the Chief Rabbi and over three hundred people. We spent most of our first year in the Hendon Hall Hotel, moving for a period into a marquee in the back garden of Yoni and Marion Weisz's home. Finally, we settled in the Nancy Reuben School Hall. Mazal Tov! And we give thanks to our founders, Gabbaim, board members and members for all the help and support in getting us this far. Additional thanks to the United Synagogue and the Office of the Chief Rabbi for supporting us in many ways over these last two years. Final thanks to Chief Rabbi Ephraim Mirvis whom without his support none of the aspirations for our community would have come to fruition.

Social Media

Magen Avot's social media also turns 2! A few people work throughout the week to help update our website, a Facebook page, a Twitter account and send emails. Services provided include times of services announcements, newsletters, and production of posters. Recently our website was refreshed with a new look and feel. Go and discover for yourself by visiting magenavot.com.
