Magen Maxis – Second Training Session

We will be running a second training session this week for those who have signed up for the Magen Maxis rota and for anyone else who is interested in helping out. The session will run during the normal times of 10:45am to 11:15am and we invite children to attend as usual. Also, don't forget to sign up for the rota from the following website: <https://bit.ly/2JxctKe>

Visit our website at: www.magenavot.com/membership where you will find full details and a printable membership form which can be returned to us. For any further questions speak to Cecil Taitz or Yoni Weisz.

Members Email

An email was sent earlier this week to all members explaining our ambition to eventually appoint a rabbinic couple. We announced our intention to begin this search and to make sure we select the right people to fill these roles. We are a diverse and multifaceted community so we would like to carefully consider criteria that are reflective of the hopes and expectations of a broad cross-section of the community. Over the coming weeks we will begin fundraising and setting up a selection committee which will oversee the process of inviting applications in accordance with our ethos, conducting interviews and proposing a recommendation for consideration by members. The email though was sent out to seek members views on what they would look for in a rabbinic couple. All responses will be considered by the Board and will be made available to the selection committee once it's established. If you are a member and did not receive this email please contact us at info@magenavot.com and we will send you the details and survey questions again.

Sub-Committees

Magen Avot is looking to create target groups to expand and promote different aspects of its ethos. Currently we are looking to establish a group to look at Israel related events and initiatives, another to expand youth/children services and programmes and a third to help launch education and learning opportunities. Whether you just wish to share some suggestions and ideas or actually take an active role in planning or organising we'd love to hear from you. Please register your interest by emailing: info@magenavot.com.
