School Areas

We have been asked to kindly request that children to not play or hang around past the out-of-bounds areas within the school property. There are yellow stands with signs which are not to be removed and must be respected. Please can we ask adults to help with suitable supervision for their children at all times during services. Children can either be sat in Shul with a responsible adult or in children's services from 10:45am.

Children's Library

In recognition of the hard work of Ruth and Esther in organising and running the Magen Maxis services, Magen Avot are launching an appeal to start our own "Children's Library". Ruth Ehreich has kindly agreed to arrange the purchase of the books. Anybody wishing to contribute should send any donations to the Treasurer (Cecil Taitz) indicating that it is for the library. Dedications for individual books (approximately £18 each) can be made.
