### Guidance for Yomim Noraim

- The earliest time for candle lighting on Friday is **5.48pm** and no later than **6.54pm**. A **2-day candle** should also be lit.
  - Shacharit for both days of Rosh Hashana will begin from **HaMelech at 9.00am**. Birkot Hashachar and Pesukei deZimra should be recited at home prior to coming to shul.
  - Since 1<sup>st</sup> day Rosh Hashana falls on Shabbat this year the shofar is not blown.
  - Seudah Shlishit should be eaten preferably before the tenth Halachic hour of the day (approx. 5pm) but may be eaten until Shkiah at 7.04pm.
  - No preparation for second day RH can be made until after nightfall at **7.53pm**.
  - Candles for the second night should be lit **after 7.53pm** from a **pre-existing flame**.
  - Kiddush for the second night includes the brachot of **Meorei Ha'Eish** (one should look at the Yom Tov candles when reciting this bracha), **Havdalah** (from Shabbat to Yom Tov) and **Shehecheyanu** (preferably over a new fruit, which should be placed on the table) - as shown in the Machzor, when second night Rosh Hashana falls on Motzaei Shabbat.
  - The Shofar is blown on second day RH. The full 100 blasts will be blown in shul, however an individual davening by themselves at home is only required to hear 30 blasts. **There will be a second shofar blowing at 6.30pm, before Mincha.**
  - This year, Tashlich is recited near a body of water in the afternoon of the second day. Care should be taken to follow government guidelines and not to gather in groups larger than 6. Tashlich can be recited until Hoshana Rabbah.
  - Yom Tov goes out on Sunday night at **7.51pm**. Only the brachot of Borei Pri HaGafen and HaMavdil are said at Havdalah.
  - Tzom Gedaliah begins Monday at **5.05am** and ends **7.42pm**. As always, please feel free to contact me for any further questions. Wishing the entire Kehilla a Shana Tova u'Metuka – a happy, HEALTHY and prosperous new year!
- Rabbi Kenigsberg**
