Eetrogim Collection
Now that Succot is over, Kisharon would like us to donate our Eetrogim for group workshops. The Eetrogim will be coated in cloves to create Besamim (spices) – part of a Havdalah pack. The packs will be available for purchase for a Simcha, and in the Kisharon Gift & Homeware Store, Equal. Your donated Eetrogim (not the boxes or foam) should be deposited in a box at the front door of Family Adler, 33 Rowsley Avenue, Hendon.

Jewish Care Digital Services
Sarah-Jane Burstein who works in Digital Services for Jewish Care would like to share some information about their activity hub that they recently launched on the main Jewish Care website. As we face more time at home, they felt it was vital to improve their virtual offering and have worked hard to create a space for clients to engage in meaningful activities online: <https://www.jewishcare.org/keepingactive>. They are aware that many members might be less "tech savvy" which is why they have provided printable content so family members, carers, friends and neighbours can make use of the content and print out for those who might not use computers. They want as many people as possible to benefit from this resource.
