### Yom Kippur Guidelines (Rabbi Kenigsberg)

- Vidui (confession) is said at Mincha on erev Yom Kippur, as found in the Machzor. The Seudah Hamafseket should be eaten after Mincha
- Candles should be lit by 7.01pm. Remember to light a 25-hour candle as well (to be used for Havdalah – see below)
- The mitzvah of Tosefet Yom Kippur means that the fast and prohibitions of the day should be accepted before sunset (ie: At candle-lighting time or just before)
- One who is seriously unwell would not be required to fast – Rabbinic and medical advice should be sought on a case-by-case basis, ahead of time, in order to establish who is exempt from fasting, and under what circumstances.
- Washing for pleasure is one of the prohibitions of Yom Kippur, however one can and should wash their hands as usual in order to prevent the spread of coronavirus.
- The fast goes out at 8.00pm. At the conclusion of Yom Kippur, Havdalah is made over wine/grape juice and a candle (without besamim). The bracha on fire can only be recited on a candle that was burning the entire Yom Kippur (בר ששבת). If one does not have such a candle, this bracha is omitted.
