### Covid Update

Please note that we will provide further guidance when the Government position and risk posed by the Omicron variant becomes clearer, but for now, we will continue with the use of air purifiers and open windows and would also encourage everyone to maintain distancing and to wear face masks (apart from those leading davening, kriyat HaTorah or speaking). Our focus is on ensuring that everyone who would like to come to Shul feels able to do so.

### Rabbi and Rebbetzen Selection Committee

As expected, we are now taking steps to recruit a Rabbi and Rebbetzen to take over from Rabbi and Rebbetzen Kenigsberg who will be leaving to go back to Israel in August next year. A recruitment/selection committee has been established and we will keep members up to date on our progress. Rabbi and Rebbetzen Kenigsberg have been with us for longer than was their original commitment and we are grateful for the valued time that they have spent with us at Magen Avot. We are proud to have been taken to a new level under their inspiring leadership.

### Watch this Space

Watch this space. Following on from the success of the Melaveh Malka last week, we will be planning a series of Tisches/Shalosh Seudos/ Melave Malkas leading through to the Summer.

### Friday 5 December

This Shabbat we will again provide copies of the latest Chanukah edition of HaMagen (Issue 4) for each member to take home (one per membership/family). Please feel free to pick up a copy from Shul. If you are unable to attend Shul, then a copy can be picked up from Family Maurer (13 Tenterden Drive).
