Israel at 75

In 2023 The State of Israel will celebrate 75 years since its founding in May 1948. To mark this momentous anniversary HaMagen is planning to publish a special Edition to coincide with the celebration of Pesach. To this end we are seeking contributions from every member with reminiscences about visits to Israel, living there, interaction with Israelis and what Israel means to each of us. We all have stories to tell which will enrich the story of the first 75 years of the Jewish State so please give thought to what you wish to contribute and please do so sooner rather than later. Anecdotes illustrated by photographs will be especially welcome. Please submit to: hamagen@magenavot.com.

Egypt is hosting the 27th UN Climate Change Conference of the Parties COP27 in Sharm El-Sheikh from 6th to 18th November 2022. The aim will be to build on the outcomes of COP26 to deliver action on several issues critical to tackling the climate emergency – from urgently reducing greenhouse gas emissions, building resilience and adapting to the inevitable impacts of climate change, to delivering on the commitments to finance climate action in developing countries. EcoShabbat is the opportunity for our shul community to be a part of these conversations and to act in ways to improve our sustainability.

At Magen Avot we are making the following commitments this year for EcoShabbat:

- Learning and discussion about the environment, climate change and sustainability, led by the youth in Y@MA
- Shiur by Rabbi Yoni Golker between Mincha and Ma'ariv on:- "Torah and the Environment; How to Raise Kids Who Care about the Planet"
- We aim to share a weekly eco-tip in the newsletter
- We are committing to recycling all bottles from kiddush by volunteers taking them home in re-usable bags after Shabbat
- We have bought jugs for water so that we can save plastic and buy less bottles
- We are working on phasing out biodegradable disposables from our Kiddushim and events, moving towards using glasses and crockery whenever possible.

Please join the discussion! Ideas and contributions are very welcome!

Happy EcoShabbat,
 Tammy Beider, Fiona Taylor, Aliza Spizzichino and Eliana Adler
