Motzei Shabbat 26 November

Horim V'Yeladim season continues this Motzei Shabbat and is sponsored by Nadine and Adam Kay to celebrate the wonderful provisions for youth/children at MA.

Shabbat 3 December

The "Get to Know the Community" event has been postponed until early next year. We look forward to running this important initiative in the near future.

Message from our Youth Directors

With the growth of Y@MA over the past few years, we are excited to be able to officially launch our new programme. As two youth directors now (Sophie and Shira) we are able to target programming at two different groups: year 7-8, and 9-13, ensuring that they learn through debates, activities, games and discussions of the Parasha and chagim. They will all come together for our youth kiddush at the end, as well as several weeks where we will be merging both groups together.

What excites us about Y@MA is our aim to create a space where the youth feel directly involved in their religious growth, feel an integral part of the community, and think about their outreach beyond the shul. On weeks such as Eco and Mental Health Shabbat, we aim to pair religious thought with wider issues, fostering a true Modern Orthodox ideology in line with the shul's ethos. We are fortunate to have a dynamic, enthused and passionate group of young people - and are excited to see the ways in which Y@MA will continue to expand and develop.

Motzei Shabbat 17 December @ 8.00pm

We are running a musical Melave Malka social event for all adults at the home of Karina and Ashley Katz (45 Brampton Grove). There will be a Dvar Torah given by Rabbi Golker and a light meal will be provided also. Wish to play a musical instrument or recite some poetry contact Shelley Berke at: davidandshelley@outlook.com. Booking at £5 per person is essential here: <https://tinyurl.com/musicalmm2022>.

ECO TIP FOR THE WEEKDAY

When searching the web try using Ecosia instead of your usual search engine. Ecosia uses the income they receive from advertising to plant trees in places they're needed most. So far they've planted over 16 million trees.

Thanks to all our Y@MA volunteers who last Sunday ran a Mitzvah Day Supermarket Sweep...
