MESSAGE FROM OUR CHAIRMAN MR SIMON BENTLEY

As you may know, as well as having the honour of being Chairman at Magen Avot I chair Yad Vashem UK Foundation. Through our Guardian of the Memory project, we seek to ensure that the victims' life stories are never forgotten, becoming part of our own treasured family histories by lighting a memorial candle in their honour on every HMD and Yom HaShoah. Please become a GUARDIAN OF THE MEMORY of ONE victim and ensure they will NEVER be FORGOTTEN nor their EXISTENCE DENIED.

BOARD OF DEPUTIES APPEAL

Do you have any unwanted Judaica, if so the Board of Deputies we would love to hear from you. Anna Silver, the Board's Education Officer, is currently working on creating multiple copies of the travelling Jewish Living Experience Exhibition, which educates non-Jews about Judaism. The exhibitions are made up of several banners, which are accompanied by artefacts which can be handled by visitors. We hope that with multiple copies of the travelling exhibition being used around Britain constantly, it will reach a huge number of students (and teachers). We hope that this will have a big impact on the quality of Religious Education being taught as well as helping to dissolve prejudice and lower levels of antisemitism. If you have any of following that your community no longer needs, please do get in touch: Menorahs, talitot, Torah yads, decorations or mantles, tzitzit, prayerbooks including Pesach, Yom Kippur and Rosh Hashanah machzorim, seder plates, candlesticks, teffilin which are no longer Kosher, mezuzah scrolls which are no longer Kosher, mezuzah cases, etc. Please contact anna.silver@bod.org.uk.
