Shabbat 7 January

Chabura: Following the success of a Chabura given by a number of people, we will run a similar session again this week. The following are points for consideration:-

- Other Avot and Imahot had full name changes. Why did the name Yaakov continue to be used after he was named Yisrael?
- What was the nature of the brachot given to the sons of Yaakov? We're they all positive?
- What does the Parsha we read as Haftorah imply around familial succession.

If time allows two extra points to consider:-

- Burial in Eretz Yisrael, why is this considered so important.
- Blessing ones children.... how, why and when...

Leining: Nuti Amar

Behatzlacha to Ariella Herman who is making Aliyah next week! The Kiddush is part sponsored in her honour.

Thank You!

Thanks to all those who helped to clear up at various times during the holiday period. Your help was very much appreciated by all those attending over the winter break.

Cleanup and Recycle

Please return any borrowed sefarim, siddurim, chumashim and Talleitim to the cupboards or boxes at the end of each service. This helps particularly after main service on Shabbat morning when the tables are moved and cleaned after Kiddush before Mincha. Newsletter and Daf Hashavua leaflets should be cleared away after Shabbat and recycled.

Eco Tip of the Week

"Use by" means you should not consume something after this date. Best before means that it is safe to consume after this date, but it might not be at its best. Tesco, Waitrose and Morrisons have all removed best before dates from fresh products to reduce food waste.
