Shana Tova!

Rabbi Yoni and Rebbetzen Dina Golker, the Executive and Board of Management would like to wish the whole Kehillah a Shana Tova U'metuka (שנה טובה ומתוקה)!

Guidance for Yomim Noraim

- The earliest time for candle lighting on Friday is **5.57pm** and no later than **7.01pm**. A **2-day candle** should also be lit.
 - Since 1st day Rosh Hashana falls on Shabbat this year the shofar is not blown.
 - Seudah Shlishit should be eaten preferably before the tenth Halachic hour of the day (approx. **5.00pm**) but may be eaten until Shkiah at **7.13pm**.
 - No preparation for second day Rosh Hashanah can be made until after nightfall at **8.00pm**.
 - Candles for the second night should be lit **after 8.00pm** from a **pre-existing flame**.
 - Kiddush for the second night includes the brachot of **Meorei Ha'Eish** (one should look at the Yom Tov candles when reciting this bracha), **Havdalah** (from Shabbat to Yom Tov) and **Shehecheyanu** (preferably over a new fruit, which should be placed on the table) - as shown in the Machzor, when second night Rosh Hashana falls on Motzei Shabbat.
 - The **Shofar** is blown on second day Rosh Hashanah (will not be before **10.45am**). The full 100 blasts will be blown in shul, however an individual davening by themselves at home is only required to hear 30 blasts. **There will be a second shofar blowing at 6.40pm, before Mincha.**
 - This year, Tashlich is recited near a body of water in the afternoon of the second day. Tashlich can be recited until Hoshana Rabbah.
 - Yom Tov goes out on Sunday night at **7.58pm**. Only the brachot of Borei Pri HaGafen and HaMavdil are said at Havdalah.
 - Tzom Gedaliah begins Monday **4.59am** and ends **7.49pm**. Kriat Shema should be recited before breaking the fast.
- As always, please feel free to contact me for any further questions. Wishing the entire Kehilla a Shana Tova u'Metuka – a happy, healthy and prosperous new year!

KOL NIDRE APPEAL 2023

Support the Kol Nidre Appeal – Together we can change lives
Please support this year's Kol Nidre Appeal from Magen Avot.

The Kol Nidre Appeal has been an institution for generations. As Jews all across the world come together in prayer and reflection, Kol Nidre is a unique time to think about how we can improve our lives and help others. For generations, the Kol Nidre Appeal has raised money for charities at home and in Israel. Last year across the whole United Synagogue family we raised an incredible £1.1 million and supported over 40 charities, helping so many people whose lives were filled with poverty, disadvantage or isolation. This year, the United Synagogue and the charities we have chosen to support – **Woodstock Sinclair Trust, Peace of Mind** and our own **shul's Children and Youth Services** – need your help more than ever to look after those in need. Please click the link below to watch a very short film highlighting the causes our community is raising money for this year, and to donate.

You can donate:

- Direct on the following website: www.kolnidre.org.uk/magen
- Send a cheque/charity voucher payable to 'Kol Nidre Appeal' to The Kol Nidre Appeal, 305 Ballards Lane, London N12 8GB, stating your full name and synagogue
- Donate from your online charity account. Our charity number is 242552.
- For SmartGiving, please select "United Synagogue Head Office/Kol Nidre Appeal"
- For CAF, please select 'United Synagogue Kol Nidre Appeal'
- Donate over the phone by calling Zehava on 020 8343 6260 during office hours.

With Kol Nidre just days away, we thank you for your past support, which has helped tens of thousands of people both in the UK and Israel, and we hope you'll be able to help again. Thank you in advance, and we wish you well over the Fast.
