### Thanks

After Yom Tov our library books were in a massive mess. Last Sunday morning DJ Jacobs made a great effort to sort them. We would like to thank DJ for this and ask people to please ensure that it stays reasonably neat. Particularly with a view to accessing the various books on the top shelves.

### Mazal Tov!

Mazal Tov to Shelley and David Berke on the engagement of their daughter Natalia to Simmy Wahnon.

### Security Notice

We want to assure attendees that our security guard Atanas has been briefed and is on the highest alert. A security reminder was issued to Atanas refreshing him on the main security procedures. Our security firm is in close contact with the CST and Police, and they will continue to do so in the upcoming weeks. There is increased supervision across all sites and any incidents or suspicious activity will be immediately reported to the firm and the CST by Atanas and of course, we will be informed. Please remember to listen to any instructions Atanas gives out during our time onsite as he is doing it for our safety and wellbeing. A big thank you to Atanas by everyone is welcomed as well as a quick dispersal outside the Shul after services.
