## Notice from the BoD

We believe it is vital that the general public is not allowed to forget the plight of our hostages. It is important for all of us to continue to make it clear to those at the heart of Westminster that any lasting peace is impossible as long as a single hostage remains held by terror groups in Gaza. The Board of Deputies (BoD) is therefore announcing that they will be holding small, twice-weekly vigils, on Tuesdays and Wednesdays, outside Parliament. The BoD are hoping that there will be those, from within our community and among our allies, who will be able and willing to volunteer a couple of hours of their time, either on Tuesday or Wednesday afternoon, to join these vigils, which will begin on Tuesday 5 December, and will continue to be held each week that Parliament is in session. Those who are interested can sign up here: <https://bod.org.uk/israel/>, after which they will be contacted with a date, time and specific venue in the Westminster area. The vigils will be staffed by the BoD and are being coordinated with the police and CST.
