HOSTAGES AND MISSING FAMILIES FORUM

After 66 days, c. 137 people remain in captivity, having been taken hostage by Hamas to Gaza. They urgently need our help !

Negotiations have ended. Survival prospects for the hostages are decreasing every day. Public support for Israel is waning. The plight of the hostages is slipping down the political agenda.

The International Red Cross is uniquely placed to report on the welfare of the hostages. They are failing in their duties by not reporting on the hostages.

Hostage families need our support to keep their loved ones' profiles in the public eye. Pressure for their release and welfare must be stepped up.

The United Synagogue is asking for OUR HELP to support the hostages.

How can you help ?

- Send an email or letter to both your local MP expressing your concern and requesting their help.
- Send an email or letter to the International Red Cross asking them to carry out their duties.

Templated emails/letters with all the necessary details will be emailed to you.

Don't delay. Please send your emails or letters TODAY !

Message from the Gabbaim

We are lucky to be part of a community with people from diverse backgrounds and with experiences of different customs. The gabbaim respectfully request that if you have any minhag suggestions, you approach a gabbai preferably before or otherwise during Shul. In order to maintain decorum and to allow the Shul to continue establishing carefully selected minhagim, please refrain from calling out suggestions during the Tefillah.
