We were honoured last week to be assigned **Naama Levy** along with **Agam Berger** whom we adopted the week before. We dedicated seats for them in the women's section and recited specific תפילות. YOUR MAGAZINE NEEDS YOU!

The forthcoming edition of **HaMagen** will contain a Special Supplement focusing on the Gaza War and its effect on all of us and our friends and families – both in Israel and here in London.

We hope to feature first hand testimony from those involved with the IDF, civilians whose normal life in Israel was overturned, by those who attended special Missions to the devastated areas close to Gaza as well as recording the herculean efforts by many within our own community to bring the plight of the Hostages to the attention of the rest of the world.

Each of us has been touched by the war and its backlash in London . Tell us your experiences your feelings and how you responded. Submissions by members of every age will be welcome and, if possible, illustrated by photographs (high resolution pdf format please). Perhaps our children have been affected by antisemitism in school or at University – again let them tell us their story.

It will also cover a wide range of other features about our members and the many memorable shul events over the past few months.

Contributions to the Magazine need to be submitted to me in simple word document format no later than Friday 1 March please at: jandjpollard@hotmail.com
