YOUR MAGAZINE NEEDS YOU!

The forthcoming edition of **HaMagen** will contain a Special Supplement focusing on the Gaza War and its effect on all of us and our friends and families – both in Israel and here in London.

We hope to feature first hand testimony from those involved with the IDF, civilians whose normal life in Israel was overturned, by those who attended special Missions to the devastated areas close to Gaza as well as recording the herculean efforts by many within our own community to bring the plight of the Hostages to the attention of the rest of the world.

Each of us has been touched by the war and its backlash in London. Tell us your experiences your feelings and how you responded. Submissions by members of every age will be welcome and, if possible, illustrated by photographs (high resolution pdf format please). Perhaps our children have been affected by antisemitism in school or at University – again let them tell us their story.

It will also cover a wide range of other features about our members and the many memorable shul events over the past few months.

Contributions to the Magazine need to be submitted to me in simple word document format no later than Friday 1 March please at: jandipollard@hotmail.com

Chesed Tips

We are launching our next initiative under the Chesed Tzedek and Mishpat framework which will be focused on local initiatives for the homeless and/or soup kitchens. A message was sent on the WhatsApp group. Anyone interested should join the group <https://tinyurl.com/machedes2023> or speak to Elkan Adler.

Hostage Campaign

We were honoured to have adopted **Naama Levy** along with **Agam Berger**. We dedicate seats for them in the women's section and recite specific תפילות. We daven for their release as soon as possible.

Agam Berger

Naama Levy

Message from Dr Ayelet Levy-Shachar (Naama's mother):- This could have been anyone, your daughter, your sister. To forget her is to forget ourselves. Continue pressing with all our might - there is nothing else to do before rescuing the kidnapped before Shabbat. Dear Magen Avot community, thank you for the support and contribution to the effort to rescue my daughter Naama.

Security Volunteers Needed!

We are looking to add further volunteers to our regular Shabbat security rota. The more people that volunteer the less often people will have to do security. If you are interested simply ask to join our WhatsApp security group by clicking using the following link on your mobile: <http://tinyurl.com/masecurity> or by emailing directly our Security Officer Alex Jacobs at: security@magenavot.com.
