Security Volunteers Needed!

We are looking to add further volunteers to our regular Shabbat security rota. The more people that volunteer the less often people will have to do security. Fire Evacuation Procedure Reminder

FIRE EVACUATION PLAN

If the fire alarm sounds, please exit the building either via the main school entrance or across the flat roof and down the Od Yosef Chai staircase. Follow guidance if one route is blocked. Windows should be closed and the final person to leave any room should ensure that doors are closed. The gathering point is the car park at the side of the school building - push open the black gates to access that area. The gates will not be locked. Do not take belongings and do not re-enter the building until told that it is safe to do so.
