Magen Minis and Maxis Report

Magen Avot relaunched its Minis and Maxis programmes last Shabbat. We had a packed house with amazing services, enhanced prizes and nash and a Magician! There was also a Gala Kiddush after the main service. Children were sent home with a party bag filled with goodies and some won prizes given out just before the Kiddush by the Rabbi! We would like to thank Ariella Ovits and Rafi Kleiman for their leadership and to Patti Adler and her team of people who have worked tirelessly to make the relaunch such a success! We would also like to thank our anonymous sponsors who have made it possible to continue this programming. If you would like to be part of the Magen Avot story then all you need to do is scan the QR code or use the link, join the WhatsApp conversation and bring your child to the next service at 10.45am this Shabbat!

October 7 Commemoration Weekend

Nearly a year has passed since the tragic Simchat Torah Shabbat that took around 1,500 lives, with 115 still in captivity. As we prepare for the October 7th commemoration weekend, the Jewish community, in collaboration with the 7/10 Human Chain and the Hostages and Missing Families Forum, invites organisations to join our Community Event in central London on Sunday, 06/10. This is a valuable opportunity to showcase your organisation's work. We encourage you to run a branded stall highlighting your efforts related to the 07/10 commemoration. This could include distributing leaflets, screening videos, selling merchandise, or organising activities. Stall proposals must be submitted in advance to avoid duplication. Link for stall applications: <https://tinyurl.com/2fdwm7pk>. We look forward to seeing you there. The Police and CST will be in attendance.

Join us in Central London on Sunday, Oct 6th as we mark the one-year anniversary of the tragic events of Oct 7th. Together, as one community, we'll mourn the victims and stand with the hostages still in captivity. More details & sponsors here: <https://tinyurl.com/c88bd23h>. **The 7/10 Human Chain.**
