In a moving tribute to mark DJ's Bar Mitzvah, he will be twinning with Yannai Hetzroni Hy'd, a 12-year-old boy who was murdered on 7/10 at Kibbutz Be'eri together with his twin sister, Li'el, his grandfather Avia (69) and his great aunt, Ayala (73), Hy'd. **See photos on Page 2.** DJ will be keeping the seat next to him empty in honour/memory of Yannai and a memorial prayer will be recited during davening. Grandfather Avia and his late wife, Eva Hetzroni, who died earlier last year, together with great Aunt Ayala, acted as parents and grandparents to the twins, as their mother, Shira Hetzroni, was severely brain damaged at their birth. After his death, Yannai's teacher described him as "a leader among his peers and an amazing friend. He was funny and amicable, always ready to brighten the room with his humour and warmth". In the lead-up to his Bar Mitzvah, DJ, Donna Deena and Alex met online with Yannai's cousin to understand more about who Yannai was; what his hopes for the future were. Just two days before 7/10, invitations were sent out for Yannai and Li'el's Bar and Bat Mitzvah celebrations which the Kibbutz had planned for the whole of their school year group to celebrate together. DJ hopes that through his own mitzvot, especially this Shabbat, the neshamot of all those who are no longer here and were not as fortunate as DJ is to celebrate, will be elevated.

Mazal Tov to Leila Golker for achieving third place in the Chidon HaTanach UK competition! Mazal Tov also to proud parents Rabbi and Rebbetzen Golker. Chidon HaTanach is the UK national Tanach competition which prepares students for the international Chidon HaTanach.
